## Summary

Hey, I am Raghav Rana, a highly motivated individual with a passion for achieving excellence in everything I do. I am a self-starter who is always looking for ways to improve myself and my work. With a proven track record of success in a variety of settings, I excel in both academic and professional environments.

As a student, I possess the ability to think creatively and solve complex problems. I am a quick learner who is not afraid to tackle new challenges, and I have a talent for breaking down complex issues into manageable pieces. Additionally, I have gained expertise as a UX/UI designer, allowing me to create intuitive and visually appealing user experiences.

Outside of my work and studies, I am an accomplished National level Swimmer, showcasing my dedication and discipline. I believe in maintaining an active lifestyle, and as a fitness enthusiast, I enjoy engaging in various physical activities.

If you have any questions or suggestions or simply want to talk about something we have in common, please don't hesitate to get in touch with me.

## Experience

**Industry Advisory Board**
Async - Official Freelance Club @Bennett University
